**WARRANTY  
CONDITIONS**

This warranty does not cover defects or damage to your wall base caused by (i) installation or maintenance that does not comply strictly with the guidelines set forth in Mannington's Installation and Maintenance Instructions, (ii) abuse (e.g. abrasives like steel wool to scour the wall base, sliding heavy objects across the wall base without proper protection), or (iii) severe accidents (e.g. fire, burns). This warranty covers water damage from normal use, excluding natural disasters. This warranty applies only to the original purchaser and installation site(s) and is not transferable. This warranty is valid for commercial installations. Any area that receives replacement wall base must be cleared, at the consumer's expense, of any equipment that has been installed or put into place subsequent to the original installation. This warranty does not cover wall base installed with obvious visual defects.

**INCIDENTAL OR  
CONSEQUENTIAL  
DAMAGES**

Under the terms of these limited warranties, Mannington will not be liable for indirect, special, incidental, consequential, or other damages of any kind, no matter what the cause.
